

Rigor and Reproducibility Course Evaluation

Providing actionable feedback helps us improve our offerings!

This survey is totally anonymous, and we want to use it to make this class better for other students like you.

Guidelines:

- 1) Please speak only for yourself.
- 2) Please be honest and as clear as you can be.
- 3) Try to be specific about what could be improved and ways that topics could be better. The more we understand what worked and what did not, the better.

-
- 1) What degree track are you on? ☐ PhD
☐ MD/PhD
-

- 2) What program are you in?
-

General Course Feedback

- 3) Are there any things that you are doing differently now than you did before with regards to rigor and reproducibility? If so please describe
-
- 4) What aspects of the course did you find to be the MOST valuable and why?
-
- 5) What aspects of the course did you find to be the LEAST valuable and why?
-

How useful was each topic of the course?

- | | Not useful | A little bit useful | Moderately useful | Very useful |
|--|-----------------------|-----------------------|-----------------------|-----------------------|
| 6) Experimental Replicability | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 7) Data management (Alien Workshop) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 8) PubMed, Google Scholar and Web of Science | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 9) Authentication of Key Resources (with Dr. Mische) | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 10) Appraising Literature/Evaluating Results of a Search | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 11) Computational Reproducibility | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

How much did you know about this material before the class?

	Nothing	A little	A middling amount	A lot	Expert
12) Experimental Replicability	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
13) Data management (Alien Workshop)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14) PubMed, Google Scholar and Web of Science	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
15) Authentication of Key Resources (with Dr. Mische)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
16) Appraising Literature/Evaluating Results of a Search	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
17) Computational Reproducibility	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

How much do you feel you know about this material now?

	Nothing	A little	A middling amount	A lot	Expert
18) Experimental Replicability	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
19) Data management (Alien Workshop)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
20) PubMed, Google Scholar and Web of Science	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
21) Authentication of Key Resources (with Dr. Mische)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
22) Appraising Literature/Evaluating Results of a Search	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
23) Computational Reproducibility	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

24) What other feedback would you like to provide?
